The screenshot shows a standard Windows-style dialog box titled "User Login". It features two text input fields. The first field is labeled "User Name" and contains the text "DEEP". The second field is labeled "Password" and contains six asterisks "*****". Below these fields are three buttons: "OK", "Cancel", and "Get Id". The dialog box has a close button (X) in the top right corner.

*This is the first screen you see on Starting the program.
Here You have to Enter user name & Password given to each user
with appropriate permission.*
